

TRIGOSCOOT - Redefining Micromobility with Innovation and Versatility!

Experience the future of personal transportation with TRIGOSCOOT - an innovative balanced board-powered hardware platform extension that revolutionizes your hoverboard, elevating it to a super versatile mini cargo scooter and daily commuter.

Advantages in Everyday Life:

Lightweight Car Trunk Size Transportation: TRIGOSCOOT brings a new level of convenience with its compact design, allowing you to effortlessly transform your hoverboard into a mini cargo scooter or commuter. Easily store it in your car trunk, saving space and making it the ideal travel companion.

Offroad Capabilities: Unleash the adventurer within with TRIGOSCOOT's offroad capabilities. Conquer rough terrains and explore new paths, knowing that you have a powerful and stable ride at your disposal.

A Safer Ride: TRIGOSCOOT enhances the safety of your hoverboard by adding extra wheels, providing increased stability and balance. Say goodbye to concerns about maintaining your balance, especially for those new to hoverboarding.

Versatile in Everyday Working and Private Life: TRIGOSCOOT is not just a gadget; it's a game-changer for both your work and private life. Effortlessly transform it from a personal working cargo scooter, helping you transport items with ease, to a stand-on transporter for swift daily commutes.

Eco-Friendly Swiss Invention: Proudly designing and developed in Switzerland, TRIGOSCOOT represents the future of green micro-mobility solutions. By reusing existing hoverboards, this platform extension promotes sustainability, reducing electronic waste and contributing to a cleaner environment.

Easy Conversion Kit: With TRIGOSCOOT, upgrading your hoverboard is a breeze. The easy-to-install conversion kit enables you to enjoy the benefits of this multipurpose micromobility device in no time.

Experience Futuristic Transportation: Embrace the future of personal transportation with TRIGOSCOOT. Its balanced board-powered hardware platform extension brings a new dimension to your hoverboard experience, expanding its functionality beyond your imagination.

Discover the endless possibilities of TRIGOSCOOT - your innovative micromobility solution. This environmentally-friendly Swiss invention is not just a conversion kit; it's a versatile companion that elevates your daily adventures, transforming your hoverboard into a super versatile mini cargo scooter and daily commuter. Take the next step in micromobility innovation with TRIGOSCOOT and redefine the way you travel.

Note: TRIGOSCOOT is the epitome of innovation, making micromobility safer, greener, and more versatile. Get ready to embark on your TRIGOSCOOT journey today!
