

## Eliminating Emissions DLR at IAA Mobility 2023

+++ Call for media +++

### Inside ZEDU-1: The world's most environmentally friendly car in operation

Take a look behind the scenes of the ZEDU-1 prototype and talk to the DLR experts behind the project.

**Date:** Wednesday, 6 September, 10:00

**Location:** DLR Open Space Stand OP320, Odeonsplatz Munich

**Programme:**

Gathering and short welcome address

Brief insight into DLR transport research

Presentation of the DLR ZEDU-1 research prototype by the project team

Questions and answers, opportunities for sound bites and short interviews

As the number of participants is limited, please register by 5 September 2023 at [Denise.Nuessle@dlr.de](mailto:Denise.Nuessle@dlr.de). Access to the Open Space is free of charge and requires no entrance ticket.

### ++ Registration ++

I will attend the DLR media event 'Inside ZEDU-1' at IAA Mobility – Open Space on 6 September 2023 at 10:00.
