

TRIGOSCOOT - Revolutionizing Micro-Mobility for Everyday Adventures!

Experience a groundbreaking invention that will transform your hoverboard into the ultimate mini cargo scooter - TRIGOSCOOT! This innovative hardware extension offers a multitude of advantages, from lightweight car trunk size transportation to super agile handling, providing you with unprecedented versatility for both work and leisure.

Advantages in Everyday Life: Lightweight Car Trunk Size Transportation: With TRIGOSCOOT, you have the freedom of a mini cargo scooter without the bulk. Its clever design allows for easy attachment and detachment to your hoverboard, instantly transforming it into a compact and portable scooter that fits effortlessly in your car trunk.

Super Lightweight Handling: Experience the thrill of nimble handling as TRIGOSCOOT effortlessly maneuvers through tight spaces and crowded streets. Its balanced board-powered hardware extension ensures smooth, stable rides, making it the ideal micro-mobility device for urban commuting and beyond.

Personal Working Cargo Scooter: TRIGOSCOOT is more than just a scooter - it's your personal working cargo assistant. With its versatile extension platform, you can carry groceries, packages, work equipment, or even take it for outdoor off-road adventures. It adapts to your lifestyle, simplifying both your private and professional life.

Off-Road Capability: Whether it's an outdoor adventure or navigating uneven terrains, TRIGOSCOOT's off-road capabilities ensure you're ready to explore new horizons. Experience the freedom of going places you never thought possible with a mini cargo scooter.

Time and Cost-Efficient: Say goodbye to wasting time in traffic or searching for parking spots. TRIGOSCOOT allows you to move swiftly through the city, saving you precious time and reducing

transportation costs. Its electric-powered hardware extension guarantees eco-friendly commutes with minimal maintenance requirements.

Compact and Portable: The versatility of TRIGOSCOOT doesn't end with its multi-purpose usage. Its compact and portable design means you can take it with you wherever you go, be it the office, the park, or a weekend getaway.

Embrace a Sustainable Lifestyle: By choosing TRIGOSCOOT as your micro-mobility solution, you contribute to a greener future. Its eco-friendly electric powertrain reduces carbon emissions, aligning with your commitment to environmental preservation.

Discover the endless possibilities of TRIGOSCOOT - your balanced board-powered hardware extension that enhances your hoverboard and elevates your micro-mobility experience. Embrace a new era of versatile transportation, where your personal working cargo scooter seamlessly adapts to your needs in both your private and professional life.

Note: TRIGOSCOOT is the next level in micro-mobility, offering a transformational experience. Check with our authorized dealers to embark on your TRIGOSCOOT journey today.
